**Media Discourse Centre**

@DiscourseCentre

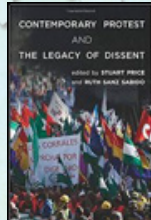

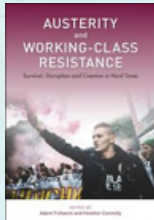

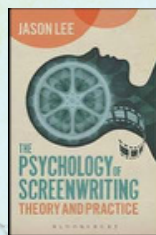

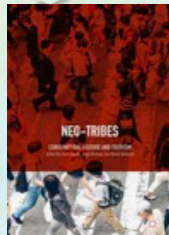

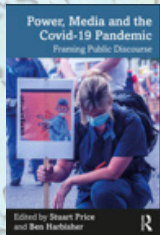

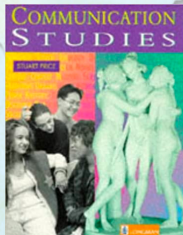

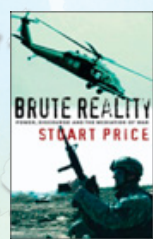

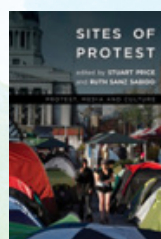

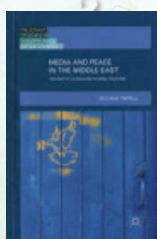

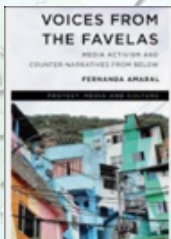

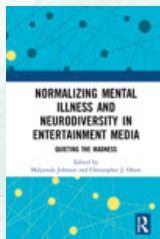

The mission of the **Media Discourse Centre** ([www.dmu.ac.uk/mdc](http://www.dmu.ac.uk/mdc)), is the critical analysis of the contemporary social order, with a particular emphasis on the global character of mediated communication (which ranges from the study of traditional media forms, to the analysis of social media use among citizens).

A recent edited book from the Centre (2022)

# Research & publications

Visit of colleagues from  
**Tirana University**, 29th-  
30th March 2022

The Centre's 2019  
Book on  
Investigative  
Journalism

**Pervez Khan**, Director  
of the Channel Four/DMU  
Investigative Journalism MA

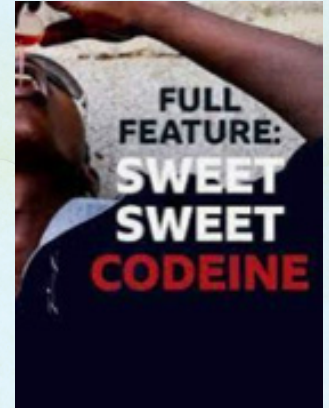

Investigative Journalism

Research Projects:

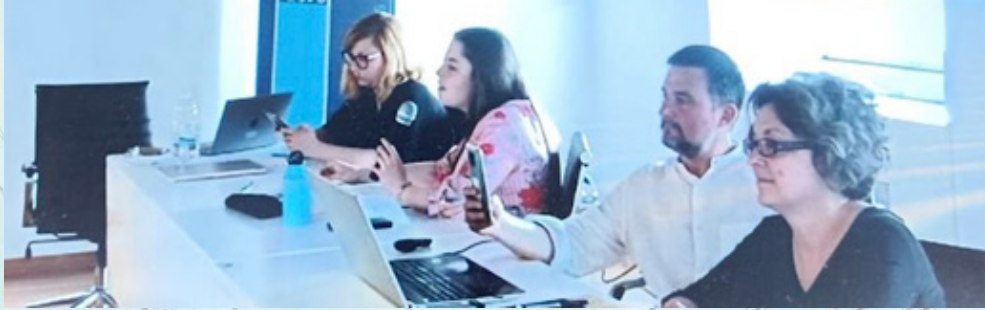

# Research Projects:

'Solutions Journalism'

Ruona's documentary on Codeine addiction.

PhD Candidate **Ruona Meyer** advocates 'solutions journalism' to address global health challenges like public awareness of covid-19 and addiction.

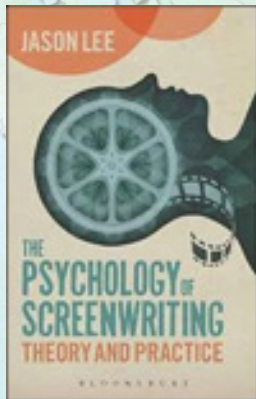

**Dr Guiliana Tiripelli** (on the right) gave her paper 'Reconciliation, the Media, Memory and History', for the conference on Reinventing Cosmopolitanism, at the American University, Paris (27th June 2022).

'Peace Journalism'

British Academy

Working with Industry to  
reduce Inequality

Meeting the screenwriting skills gap:  
mental health & disability equality

 The  
British  
Academy

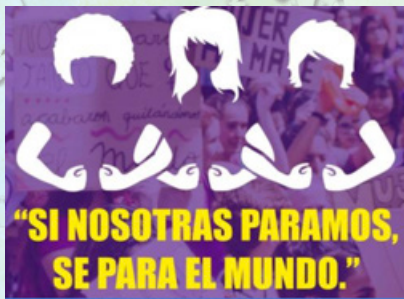

**Professor Jason Lee** (right), with Evolution Film in a seminar (centre), with the film director Terry Bamber. The funded project began in 2022. On the left, Jason's book on Screenwriting.

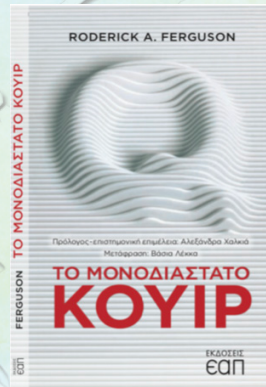

## The Feminist General Strike, Madrid

**Dr Jennifer Garcia Carrizo**, of Complutense, Madrid, works on our shared project the Feminist General Strike in Spain.

The first Chapter on the Strike appeared in the Routledge Companion to Political Journalism.

## Panteion University, Athens: Professor Alexandra Halkias

*Nation and Gender in Crisis* (left), edited by **Alexandra Halkias**, and in the middle, the Greek translation of Ferguson's *One Dimensional Queer*, which contains her Introduction. On the right is Halkias' monograph from 2004, *The Empty Cradle of Democracy*.

## Media Discourse Centre, Babylon University, Iraq

**Dr Ahmed Bahiya**, (above) Director of the Media Discourse Centre, Babylon University, and (right) at work in the Harf News Agency, Iraq.

Laboratório de Estudos de Mídia e Relações Internacionais LEMRI, Brazil UC.

**Dr Fernanda Amaral**, of LEMRI, Rio de Janeiro, and the Media Discourse Centre (centre, Fernanda's book, and right, her photo of a demonstration in Brazil, 2019)

# Parliamentary Assembly Assemblée parlementaire

**Dr Giuliana Tiripelli's report on "The Role of the media in times of crisis", commissioned by the Parliamentary Assembly of the Council of Europe, has been adopted by the Culture Committee on 2 December. It was debated and adopted by PACE during its session in 2022.**

MDC contribution to Professor Kenneth Morrison's UNSDG conference, May 2022.

Research seminars given by Charlotte Rose and Emma Graves.
